

PART I: CORE COURSES

This is your year to make up all of your failed core classes. Make sure that you sign up for any core class that you still need credit for.

Whether or not you plan to go to a 2 or 4 year college, you should take a fourth year of English, Math, Science and Social Studies.

If you have not taken your English Elective classes, make sure you register for 2 semesters of English Electives.

It is YOUR responsibility to know what credits are still needed for graduation!!!

PART II: ELECTIVE COURSES

For each elective course you plan to take during the 2017-2018 school year, fill in the course name on the blank lines and write the course number on the line provided. Certain choirs, student council, and certain bands need teacher recommendations or auditions.
