

**PART I: CORE COURSES**

You will be taking 4 core classes. Math, Science, Social Studies, and English.  
 The level at which you will take them is determined by either personal selection, application for honors classes, or teacher recommendation and test scores for your math placement.  
 These 4 core classes (when you pass them) will count as 4 credits towards graduation.

**PART II: ELECTIVE COURSES**

For each elective course you plan to take during the 2017-2018 school year, fill in the course name on the blank lines and write the course number on the line provided.  
**Freshmen are required to take Health and a PE class.** Certain choirs and bands and student council need teacher recommendations or auditions.
