#### NOTES:

- “Weighted” equates to an additional 1.0 in GPA calculation (e.g. an “A” is worth 5 points instead of 4).
- College credits granted via College Board Exam vary by course, university, and score.
- All tuition and exam fees are subject to change.
- Three semester courses are offered every day one semester, and every other day the opposite semester.
- All course offerings are contingent upon sufficient requests and enrollment.
