

SPRING BREAK GIVE BACK

The FHS Student Council is proud to partner with the Town of Frederick to offer students an opportunity to give back to their community through volunteering their time over spring break. Youth ages 14 and up may sign up for any, or all community projects listed below. This is a terrific opportunity to boost your resume, visibility in the community, and make Frederick a more beautiful community.

- All students must sign-up and complete the emailed Parent Waiver Form before participating in any of the projects.
- Each service project will last 2-4 hours.
- Students can sign up for projects at the link below:
