

**PART I: CORE COURSES**

You will be taking 4 core classes: Math, Science, Social Studies and English. These 4 core classes (when you pass them) will count as 4 credits of your Junior year. Talk to your teachers, parents, upperclassmen friends and counselor to discuss the possibilities for classes.

**PART II: ELECTIVE COURSES**

For each elective course you plan to take during the 2019-2020 school year, fill in the course name on the blank lines and write the course number on the line provided. Certain choirs, student council, and certain bands need teacher recommendations or auditions. CDC/Innovation Center/P-Teach classes need to be in the alternate box.
